ELECT ROOSEVELT.

Republicans Carry New York
by Reduced Majority.

BROOKLYN GOES DEMOCRATIC

Republican State Ticket Prob-
ably Elected.

DEMOCRATS GAIN CONGRESSMEN.

Republicans Lose Seven Congressional
Districts—State Senate Stands Twenty-
seven Republicans and Twenty-
three Democrats—Big Vote in
Greater New York.

NEW YORK, Nov. 9.—The indications
are that Theodore Roosevelt, the Republi-
can nominee, had carried the state by
a plurality over Augustus Van Wyck of
from 18,000 to 20,000. The total Republi-
can vote when received will probably
show a falling off as compared with that
for Governor Black in 1896 of about 14
per cent.

In the municipality of New York the
old time Democratic majority was ap-
proximated, Van Wyck's vote being
about 80,000 greater than that of the
Republican candidate. This latter re-
sult was helped in some measure by the
result in the borough of Brooklyn
(Kings county), which in 1896 gave
Black (Rep.) a plurality of 25,682, but
yesterday gave a Democratic plurality
of about 16,830.

Brooklyn is the home of Judge Van
Wyck, but this fact does not wholly ex-
plain the practical reversal of pluralities,
which, it is possible, is attributable to
lukewarmness of the friends of Jacob

COLONEL ROOSEVELT.

Worth, who was deposed from the chair-
manship of the county committee as a
consequence of his opposition to the
plans of Senator Platt in the mayoralty
contest last year.

The returns from many counties up
the state are incomplete and in some
cases are missing altogether. The in-
dications being from computations upon
the figures at hand, point to a Republi-
can plurality in the counties above
the Harlem of about 100,000 to offset
which the Democrats can show prob-
ably only 80,000 plurality of Greater
New York.

There appears to be a loss of four Re-
publican congressmen in the Brooklyn
districts, the Second, Fourth, Fifth and
Sixth; and Congressman Quigg, who
had a majority of about 9,000 at the
election last year has been defeated by
William Astor Chandler. In the Albany
district, the Twentieth, Glynn (dem.),
has been elected to succeed Southwick
(Rep.).

In addition to the foregoing there are,
seemingly, Democratic gains in the
Eighth and Thirteenth districts, both
in this city, Daniel J. Rio-dan being
elected in the one, and Jefferson M.
Levy in the other. This makes a total
Democratic gain of seven congressmen.
The state senate will probably stand
27 Republicans and 23 Democrats. The
last senate contained 35 Republicans, 14
Democrats and one Independent.

All Colonel Roosevelt's associates on
the Republican state ticket are probably
elected with him.

Revised figures on congressmen show
that Representative Bennett (Rep.), is
re-elected in the Fifth district, Brook-
lyn, and that Representative Biggs
(Dem.), is defeated by Prendergast.

The vote in the Thirty-second dis-
trict (Buffalo) is very close with the
probability of the election of Ryan
(Dem.), in the place of Mahany (Rep.).
Livingston (Dem.), is reported
elected in the Nineteenth district, at
present represented by Cochran (Rep.).
In the Sixteenth congressional dis-
trict, John Q. Underhill (Dem.), was
elected, succeeding W. L. Ward (Rep.).

RESULT IN MINNESOTA.

Probability That Lind Has Been Elected
by Small Majority.

ST. PAUL, Nov. 9.—Minnesota has not
only always been considered a doubtful
state, but that is certainly her position
this year. Two years ago McKinley
had a plurality of nearly 51,000 for
president, and Clough for governor was
elected by 3,500, notwithstanding some
adverse local conditions of the state
ticket. This year the state is not only
doubtful, but at midnight was being
generally placed in the Democratic
column, at least so far as the governor
is concerned. Eastis, the Republican
candidate, ran behind his ticket in most
of those precincts where the vote on all
the candidates was given, so that the
fact that much fuller returns will be
needed to decide between the guberna-
torial candidates is looked on as pre-
sumptive evidence that the rest of the
Republican ticket is probably elected.
The legislature, which will probably
elect a successor to Senator Davis, is
conceded Republican. The Republicans
have certainly elected four congress-
men, the other three being doubtful
rather than positively Democratic.

Wyoming.

CHEYENNE, Nov. 9.—The following
statements were given out by the chair-
men of the state committees: Republi-
can—"Returns are coming in very
slowly. Twenty precincts only have
been heard from, including four in the
city of Cheyenne. They show heavy
Republican gains over 1896 for Mondell
for congress, and the state ticket is run-
ning with Mondell, excepting that
Richards, Republican candidate for
governor, is running slightly behind his
ticket in this, Laramie county, where
there is a slight falling off. Indications
are that Mondell is elected by a large
plurality and that the entire ticket is
elected by smaller pluralities." "The
Democratic party will elect the
entire state and congressional
tickets with majorities ranging between
600 and 1,800."

Illinois.

CHICAGO, Nov. 9.—Five and probably
six congressmen have been gained in
Illinois by the Democrats and the next
congressional delegation from this state
is likely to be evenly divided, 11 Demo-
crats and 11 Republicans. It is possible
for the Republicans to have 12 of the 22
congressmen, as all the returns are not
yet in, but the indications are for an
even split on the delegation. The en-
tire Republican state ticket is elected by
about 22,000 plurality. In Cook county
the vote has been very close, the Republi-
cans carrying the county and the Demo-
crats the city of Chicago. The Demo-
cratic plurality in the city is about 3,000
and the Republicans' plurality about the
same in the county.

Boutelle, (Rep.) Sixth district, is prob-
ably defeated as are Mills, (Rep.) in
the Fourth and Lorimer, (Rep.) in the
Second.

South Dakota.

SIOUX FALLS, Nov. 9.—Returns from
the state are meager. Republican gains
have been uniform, but small. Chair-
man Herreid of the Republican state
committee expresses the belief that
Phillips (Rep.), for governor, is elected,
with the entire state ticket and Burke
and Gamble for congress. Chairman
Kidd of the Populist state committee
said: "We have carried the state by
3,000 and have elected both congress-
men."

Ohio.

COLUMBUS, O., Nov. 9.—Chairman
Blake of the Democratic state central
committee, conceded the state to the
Republicans by over 40,000 plurality
and Chairman Daugherty of the Republi-
can state central committee, claimed
the state by 60,000. The congressional
delegation remains as at present, 15 to
6, each party carrying precisely the
same districts as at the presidential
election two years ago.

Kansas.

TOPEKA, Nov. 9.—At midnight Chair-
man Albaugh of the Republican state
committee claims the state for Stanley
(Rep.), for governor, by 5,000, and
Chairman Riddle of the Fusion com-
mittee claims the state for Leedy (Fusion),
by 11,000. Late returns from Atchison
are cutting down Stanley's vote and
Fusionists claim Governor Leedy (Pop.)
will carry Atchison county.

Tennessee.

NASHVILLE, Nov. 9.—The Democratic
executive committee claims 25,000 for
McMillin. The Republican commit-
tee concedes McMillin's election by 10,
000 majority. The legislature shows
Democratic gains. Congressmen: Eight
Democrats, two Republicans. Vote is
light throughout the state.

Florida.

JACKSONVILLE, Fla., Nov. 9.—The vote
yesterday, judging from returns now in,
is from 10 to 20 per cent lighter for both
parties than in 1896. The whole Demo-
cratic ticket is elected. The light vote
is due to the feeble resistance offered.

Nevada.

RENO, Nov. 9.—About one-third of
the vote is counted here. Everything
points to McMillan's (Rep.) election, as
well as the Republican legislative ticket.

South Carolina.

COLUMBIA, S. C., Nov. 9.—The Demo-
cratic state ticket was elected without
opposition. A very light vote was
cast.

*Subject to change, slightly

Well it is all over, and we can get
to work once more. The campaign
was a hard fought one, and the leaders
on both sides did their best to win.
At this writing it is impossible to say
who will carry Cherry county, but in
all probability it will be the fusionists.
The NEWS-DEMOCRAT made a clean
honest fight for its favorites, and has
nothing to retract, apologize for or
be ashamed of. In a spirit of fair-
ness, however, we wish to say that
the circular issued by the reform
committees erred in a couple of par-
ticulars. For instance, Mr. Pett-
john's record on the school board
shows that he has not in every single
instance voted against Cherry county
teachers. This is wrong, and in the
hurry of writing and issuing the cir-
cular the facts were given on hear-
say evidence. Once again in figur-
ing up the length of Miss Brown's
experience as a teacher from Pett-
john's circular, "terms" and "years"
were counted as years alone. Instead
of 22 years the circular should have
said about fifteen years.

The NEWS-DEMOCRAT has tried to
be fair, and we believe it has been.
The election has been won and lost,
and its share of glory or censure will
be borne with becoming dignity.
Next week we'll tell you how it all
happened.

I. N. Russell is in town from New-
ton, and brought the returns from
Gillaspie precinct.

J. E. Garner a cousin of the Garner
boys at Eli, and an old timer in this
county, was in town this week on his
way from Gillette, Wyo. to Deerfield,
N. C., which latter place he will
make his home in the future. He
will take a car of Cherry county
horses with him, for sale.

Fur coats at T. C. Hornby's.

The republicans of Valentine pre-
dicted cast 99 straight votes while the
fusionists scratched their tickets.
Where were the republicans who in-
tended to vote for "Honest John
Shore?" When will our people learn
to vote for men representing their
principles.
